CITIZENS PARTICIPATION:

Mark Glasscock, 4009 Moray Court, the drainage ditch does not work, it was built too low. My driveway is deteriorating because of the water. When the city cuts the grass across the street they cut it too low and I would like to see them use better judgment not cutting the grass to the dirt. I am tired of seeing yards with tall grass, parking in the yards and trash in the yards. I want people to take pride in the neighborhood.

ADJOURN:

There being no further business to come before the council, motion by Ms. Burton, second by Ms. Johnson to adjourn the meeting. All ayes present.

All in favor signify by saying aye. Those opposed, no. Ayes have it, so ordered. Motion carried. Meeting adjourned at 7:27 p.m.
