Public Comments:

Ken Weber with REACH Alert, the only alert and notification provider endorsed by the Kentucky League of Cities. A quick and easy way to let people know what is going on in your community. Cost of our product is \$1.00 per household but for new customers the first year cost is only \$.70 per household. Reach Alert was built to be an emergency alert service but there are many other notifications that would let the citizens be aware of happenings in the city without them having to call city hall. It is a good service to keep the community in the loop of what is going on.

Lena Ratliff, 3445 Fern Heather Drive, I am visiting to see what is happening in the city. I want to be involved in the community. I am an insurance representative for State Farm.

Ruby Hyde, 3804 Darlene Drive, this is my 25<sup>th</sup> year working on the MLK Parade. Mayor Beverly Chester-Burton will be one of our Grand Marshals in the parade. After the parade the key note speaker will be the Justice Circuit Court of Appeals, Denise Clayton. I want to see all you all there to represent Shively, you are all invited. I want to see fire, police and public works department to return to be part of the parade.

Mayor Beverly Chester-Burton discussion:

- Little League Team will have their parade in Shively on February 2, 11:00 a.m.; the route will be coming down Heaton, Savage to Crums Lane.
- KLC budget meeting will be Thursday 7 p.m. at the Middletown City Hall, everyone is invited.
- Grants, city hall is working on one called Brownfields Grants.

Shanell Thompson; Andrew in the library went to school to write grants, he offered to help us.

- Finn is preparing an agenda item for the Stowers Lane street closure.

- V.A. Department will be vacating the building before February 1, 2019. They have found a spot across the street.
- Security; I want to remind everyone to be vigilant, keep your eyes and ears open, there was a person in city hall this week looking for me; the person was checking the office doors.
- Committee meeting minutes will be approved at the next scheduled council meetings; they will be emailed on the Friday prior to the council meeting. Remember to check your emails for updated and information.

Approving Committee Minutes January 14, 2019

Motion made by Tiffany Burton, second by Maria Johnson to approve the minutes from the council meeting January 7, 2019 as received.

Ayes: All present.

Nays: None.

- I met with Keisha Dorsey she was saying there has been changes to the Dixie Do Over Project; parts of Dixie will be interrupted like stopping at Crums Lane and not going all the way to Broadway for the bus rapid transit service. I have requested an update, from the project manager, for the Dixie Do Over Project so we can know what the changes are.
- Committee Assignments; City Hall, Lisa Beard and Tiffany Burton; Police, Delbert Vance and Chester Burrell; Fire, Maria Johnson and Lisa Beard; Works, Tiffany Burton and Shanell Thompson; Code Enforcement, Shanell Thompson and Maria Johnson; Golf Course, Chester Burrell and Delbert Vance. I think it is important for us to stay connected to our departments, everyone has two areas, I added code enforcement and the golf course to the department listing.
- Shanell will be traveling to the KLC training in Lexington. We have nothing in place to reimburse for breakfast, lunch, dinner and mileage when it is not part of the conference registration. I checked with other cities and created a form that can be used to request reimbursement for such expenses that should not be incurred by the person participating in training. Just turn in your receipts with the form for reimbursement.
