CITIZENS PARTICIPATION:

Natalie with Youth Build Summer Works Program, 1113 Charles Street, I want to introduce myself and explain the program. Youth between the ages of 16 – 21 can get a quality job for the summer. It will help 2500 youth build work and life skills, connect them to mentors and needed resources, preparing them with resumes and soft skills.

Richard Thompson/Thompson Realtors, South 3rd Street, I own Appleton Apartments and am here to get help. The pallet company brings large semi trucks to our residential area. Streets, church parking lots and personal yards are being damaged by large trucks. As you can see from the pictures the damage is an eyesore.

Stuart O’Nan, 3204 Appleton Lane, we are here to get help to keep heavy trucks from destroying our property.

Phil Fried, 2004 Appleton Lane, the apartments are also in need of repair. Windows are knocked out, trash is on the ground, the place is a wreck. I also see the large trucks daily sitting on Appleton Lane.

Jennifer Williams, 2101 Appleton Lane, I am a mother responsible for taking my child to school, I should not have to wait because a large truck is blocking the road at 7 am. Are large trucks allowed to park on a residential street? Cars have to go around the large trucks on a daily basis, at times the road is totally blocked.

Cathy Pardue, 1950 Appleton Lane, I am here to complain about the large trucks being parked on the lot across from my front yard. There are 15 trailers on the lot for me to look at over the weekend.

Brenda Walters, 3200 Appleton Court, I am here because it is dangerous for kids walking on the street next to and behind the semi trucks parked on the street. The trucks are parked on the street for fifteen minutes sometimes waiting to get into the pallet company to be loaded.

ADJOURN:

There being no further business to come before the council, motion by Ms. Johnson, second by Mr. Burrell to adjourn the meeting.

All in favor signify by saying aye. Those opposed, no. Ayes have it, so ordered. Motion carried. Meeting adjourned at 8:04 p.m. All ayes.
