CITIZENS PARTICIPATION:

Ruenel Dorsey, 2627 Neblett Avenue, I need to know how to get the light replaced in my street light.

Ken Burton, 3500 Park Row, the cars are running stop signs by my home and all over the city and everywhere else. There are semi-trucks driving in residential areas, the trucks are too big for our streets.

Michael McGilbra, 4223 Southernfarm Blvd., I want to ask for the city’s help with the refugees at Ramser Court. We want to partner with the city to feed the children, provide first aid, have job training for adults and teach the children English.

Luther Brown, 1337 Dixie Hwy. #205, I want to present a proposal budget for Little Hands Little Feet. We traveled with adults and children on Saturday to Cincinnati, transportation provided by Dawn Gee, to watch the Southern Open. Thank you for your support.

John Jeffries, 2515 Crums Lane, I want to know how I can be notified if there is a disturbance in our neighborhood. The Shively Police surrounded a home across the street from me and I would like to know if there is an alert I can sign up for to know more about what is going on in the neighborhood. There should be a way we can know ahead of time so we can protect ourselves. The pavement is rough at Dixie Hwy and Crums Lane, I hope it is fixed soon.

Chester Marr, 2106 Crums Lane, I want the city to notify the person living in the house I own of code violations when they notify me. It would be quicker to notify the person living in the home by knocking on the door. I want them notified by mail the same way the city notifies me.

ADJOURN:

There being no further business to come before the council, motion by Ms. Johnson, second by Mr. Burrell to adjourn the meeting.

All in favor signify by saying aye. Those opposed, no. Ayes have it, so ordered. Motion carried. Meeting adjourned at 8:13 p.m. All ayes.
