Citizen Participation:

Troy Burks, Southwest Youth Sports, I am here to ask permission for Shively Seminoles to practice in the park April – November. We also want to invite the Mayor and Council to our benefit Monte Carlo Night, September 15th, 7 p.m. – 11 p.m., at O’Shea’s, 123 East Main Street.

Denis Coggeshall, 2904 Garey Lane, I am concerned by the speed of buses that travel my neighborhood. There are no sidewalks on my street and when I was walking my dog a bus almost hit me. Also the works department throws my recycling bin, I find it at various locations in my yard.

Herb and Rosa Hogan, 3115 Pioneer Road, we are here about the large trucks that visit the Better Way Food Mart behind our home. The poles protecting our fence from the trucks have been knocked down, we want them replaced.

Jacob Dove, 1827 Mary Catherine, the catch basin has helped with the runoff water but it is not big enough. There needs to be more help to prevent flooding in the neighborhood.

ADJOURN:

There being no further business to come before the council, motion by Ms. Johnson, second by Mr. Burrell to adjourn the meeting. All in favor signify by saying aye. Those opposed, no. Ayes have it, so ordered. Motion carried. Meeting adjourned at 7:50 p.m.
