CITIZENS PARTICIPATION:

John Renn, 7612 Parkridge Trace, I work for Metro Louisville Government, we meet once a month for our monthly safety meetings. Our meeting on October 25th was hosted by Chief Cambron and used the training room. Chief Cambron and his staff made us feel very welcome, they went over and above, we toured the facilities, ate chili and it really felt like I had come back home. We gave the firemen live fire extinguisher training, we appreciate the hospitality. I appreciate people who go above and beyond and we want to thank Chief Cambron with a Louisville Metro t-shirt and gift card.

David and Betty Robinson, 2014 Youngland Avenue, semi-trucks come through our block, there is a sign posted but it is back off Dixie. I would like the sign moved closer or make the sign larger so it will be easier to see. We are a corner lot and the trucks leave large ruts in our yard.

Chester Marr, 2106 Crums Lane, I would like to know what happened to our tax rebate that was mentioned in the summer newsletter. I would like the answer to be put in a newsletter so everyone knows.

Kenton Burton, 3500 Park Row, the cars accelerate from Crums Lane passing my house going 65 mph. It is dangerous for kids catching the bus because people ignore stop signs. The sign on Dixie is very faded that says no turn on Crums Lane. Semi trucks should not be allowed on Janell, I want priority put on this.

ADJOURN:

There being no further business to come before the council, motion by Ms. Johnson, second by Ms. Chester Burton to adjourn the meeting.

All in favor signify by saying aye. Those opposed, no. Ayes have it, so ordered. Motion carried. Meeting adjourned at 7:45 p.m. All ayes.
