Shively Code Enforcement

Code Enforcement responds to citizen complaints as fast as possible by determining if a violation has occurred, alerting the responsible party that they are in violation, and enforcing compliance through the legal process. We also investigate complaints about parking violations, (in the yard only), abandoned vehicles, and properties that are overgrown or dangerously deteriorated.

Clean, well maintained houses, yards and streets are very effective in discouraging criminal activities. Neighborhoods that are healthy and safe tend to discourage criminal activities and neighborhood disputes.

Exterior Appearance: One of the easiest ways to violate City Code is to fail to maintain the exterior of your home. Remember that all fences and exterior structures should be kept clean and in working order. The exterior should also be painted, and repairs should be made if the paint begins to deteriorate, peel or chip. Address numbers also need must be displaying in front of the property.

2nd ANNUAL SHIVELY COMMUNITY PANCAKE BREAKFAST

The brisk weather could not keep the Shively residents from attending the 2nd Annual Pancake Breakfast on Saturday, April 13, 2019. The aroma of the fresh brewing coffee was in the air and the scrambled eggs were better than Green Eggs and Ham Sam I am! The hot buttermilk biscuits covered with sausage gravy were delicious too. The pancakes, light and fluffy, melted in your mouth. All of the food was delicious, but the fellowship with neighbors and Shively residents was better than the bacon and sausage! Lastly, a BIG THANK YOU to all the Shively residents who helped with the Pancake Breakfast! I look forward to Pancake Breakfast 2020!
