PUBLIC COMMENTS:

Delores Shirley, I want to invite the community leaders to a Community Fair at New Life, 3248 Taylor Blvd, July 28, Noon to 2pm. We are asking for representatives, bring a tablecloth display your name and giveaways, samples or information for at least 100 people. We have confirmed that McDonalds, Police, Fire, Meijer, Library, United Healthcare, and 5/3 Bank. We are mailing post card reminders out to vendor on month before, to bring the community together for a successful event. We are asking for 100 totes and asking for your participation.

Dennis Coggeshall, 2904 Garey Lane, S.E.O.Y. meeting topics were library closing, SMART Gun Safety, services for care takers, speed bumps, keep your vehicles locked in driveways and property being destroyed by school buses. I do not agree with going to two meetings per month. What was done with the money not spent on from stimulus money.

Teneka Billups, 3431 Fernheather Drive, I want reflectors to be put up on the road during construction. I am here to follow up on what happens when the police do not follow through on ordinances when property owners can be charged with a criminal charge. I have groundhogs, frogs, rabbits and nature going on in my backyard. I must find the name of the property owner, my neighbor, to deal with the swimming pool next door.

Grace and John Porter, 3218 Kingswood Way, I want help with a property owner that has tall grass and critters. I have a bill for \$300.00 for repairs on my car, critters chewed on the wires. Cane Run Elementary school has an unkept pond and nature area that the critters live in. Is there anything that can be done? We can not sit on our porch and enjoy with the mosquitoes.

Marva Clay, 3003 Shoreham Lane, I want to know what Shively is going to do about the soot from Brown-Foreman. I have a letter here, they know what they are doing and the letter is proof.

Don Bell, 1800 Nelson, from Millers to Ralph there is excessive speeding, and so many accidents. Is there something that can slow down the speeding? I hear crashes constantly and I almost lost my life in an accident.

Fire Chief, Greg Cambron reported the 2019 Crusade for Children donation is \$12,550.52. Thank you to the public for the donations.

Mayor Beverly Chester-Burton announced a town hall meeting, scheduled for Tuesday July 9th watch for information in the newsletter.

ADJOURN:

There being no further business to come before the council, motion by Chester Burrell, second by Maria Johnson to adjourn the meeting.

All in favor signify by saying aye. Those opposed, no. Ayes have it, so ordered. Motion carried. Meeting adjourned at 7:50 p.m. All ayes present.
