PUBLIC COMMENTS:

Dominique Hill, 1901 Auburn Drive, I received the letter and I did make communication with the works department before any work was done in my yard. I saw the work they did, it was a little digging, and it did not solve the water standing. I should not have to pay for running pipe under the ground.

Dean Nevitt, 1859 Farnsley Road, I would like to get a coversheet of incoming money and outgoing money. When the council speaks do you count that time against me? My driveway was 10’6” wide, the concrete now comes in on each side, it is 9’4”. The driveway is lower, 2”, where my driveway meets the street, water pours down my driveway.

ADJOURN:

There being no further business to come before the council, motion by Maria Johnson, second by Chester Burrell to adjourn the meeting.

All in favor signify by saying aye. Those opposed, no. Ayes have it, so ordered. Motion carried. Meeting adjourned at 7:03 p.m. All ayes present.

Beverly Chester-Burton, Mayor

Mitzi R. Kasitz, Clerk
