PUBLIC COMMENTS:

Glen Lyons, 3538 Burrell Drive, I do not know what can be done but there are people throwing dice and loitering on my property, I need it to be stopped. They say this is their turf, there are rappers that hang out there and kids that have nothing to do, I was told to hire security.

Sharon Baker, 2241 Amboy Drive, why is the parked closed, I was socially distancing with my bible study group and the police asked me to leave. We wanted to get out on a Saturday, we were socially distancing, I do not understand what we were doing wrong.

Ashley Robinson, 3315 Fern Lea Road, I have a certified letter sent to me by my neighbor and I want to address it. In the letter Ms. Tunstill stated, Jeff Early, said I was getting on his nerves and Mitzi Kasitz, said I was a pill that calls all the time. I have the right to call and voice my concern, my character should not be compromised by anyone, I want to know how this will be addressed. My neighbor has not completed their driveway and I am trying to figure out why the city is doing nothing to make her finish or when the project needs to be completed, there should be a deadline.

Brenda Jewell, 1811 Nobel Place, I have been a resident for almost 50 years, and Shively is a beautiful place. We all know how beautiful the West End was but if we turn our head, tall grass, not taking in a garbage can, sitting garbage cans in the front yards overflowing, blowing cut grass in the street, we will get what we get. My granddaughter is entitled to a beautiful place to live, not mud running in the street. I want something to be done about the Shively Kroger, there are homeless hanging around daily and you can see drug use.

ADJOURN:

There being no further business to come before the council, motion by Chester Burrell, second by Tiffany Burton-McBroom to adjourn the meeting.

All in favor signify by saying aye. Those opposed, no. Ayes have it, so ordered. Motion carried. Meeting adjourned at 8:23 p.m. All ayes present.

Beverly Chester-Burton, Mayor

Mitzi R. Kasitz, Clerk
