**Public Comments:**

Ivory Rollins, 1568 Loney Lane, the business behind my home, Parallel Products, should be held to the same code enforcement rules the homeowners

obey. There is an area behind my fence with debris and tall grass. Rats, many rats are in my yard, I complain about this every year.

Byron and Terese Allen, 4036 Valley View Drive, Jeff Early came to let us know that graveling my backyard is not allowed in Shively. How am I to know the rules of the city? We will need help removing the gravel.

John Thompson, 2208 Peaslee Rd., I am here to request sidewalks on Peaslee Road.

Brenda Jeffries, 2515 Crums Lane, we need your help, several neighbors are here tonight about the neighborhood disruptions from one home on our street. The home has been a nuisance for at least 6 years. The police frequent the home. I am here asking for the city to do more to help.

Brian Rountree, 3523 Schaffner Drive, the house on our street is bothering the neighbors. There are frequently police at the home. I am here to ask the city to help us with the trouble on our street.

Dennis Coggeshall, 2904 Garey Lane, I am a member of the Shively Historical Society we are requesting if you or anyone you know has old pictures of Shively, we would like to copy them. We would like to have a Shively Museum and we will need help finding items.
