APPROVAL OF MINUTES:

Motion was made by Tiffany Burton-McBroom to approve the August 16th meeting minutes. Second by Sharon Baker.

Maria Johnson, I want to correct my council report. The report I gave, was about Southwest Dream Team, how they requested for the council to approve a request for money from the Federal Cares Act on June 7th and 21st, there was no money available in the fund. How was that brought before the council when there was no money to fund the program? On August 2nd you said the money requested was out of the general fund. I wanted to bring it to the council, the email request we received was from the Covid 19 fund, and they did fill it out on the Federal Cares Act request.

Motion to accept with correction by Sharon Baker. Second by Maria Johnson.

Public Comments:

Henriette Jenkins, 3508 Fern Lea Rd., Louisville Metro Public Health & Wellness, Testing Coordinator, I am wanting to get a permanent testing site here in Shively. Testing is key in beating Covid, and we need to offer a permanent location hopefully beginning in the next week.

Mayor Beverly Chester-Burton, city hall has been receiving calls regarding the honorary street signs. Here is the explanation the residents will hear when inquiring. Andrew and Charlotte Wade were housing pioneers. The Wade honorary street signs recognize a historical movement of civil rights struggles regarding open housing in Shively that occurred in 1954. The Wades were the first African American family to move into Shively with the assistance of a white couple Anne and Carl Braden. Later, due to racial tension in the Shively community, their home was bombed, and they were forced to move out of Shively. Since Shively strives to remain a community of “peace and unity,” we hope that neighbors will respect each other, so that negative acts against racial and social justice will never happen again in our diverse city.

ADJOURN:

There being no further business to come before the council, motion by Tiffany Burton-McBroom, second by Maria Johnson to adjourn the meeting.

All in favor signify by saying aye. Those opposed, no. Ayes have it, so ordered. Motion carried. Meeting adjourned at 7:08 p.m.

Beverly Chester-Burton, Mayor
