CORRESPONDENCE: None

OLD BUSINESS:

Finn Cato, city attorney, my research has identified that because there is no benefit to the citizens of Shively a donation to the Kentucky Tornado Relief Fund is not possible.

NEW BUSINESS:

FIRST READING Ordinance No. 11 – SETTING SALARIES FOR POLICE CHIEF, FIRE CHIEF, CITY CLERK

Introduced by Tiffany Burton-McBroom.

Public Comments:

Neville Blakemore, Mockingbird Valley Drive, I am running for county clerk, I want you to know I want to make life more convenient for you by modernizing the Jefferson County Clerk Office while protecting your right to vote.

Beverly Chester-Burton, I want thank Ruby Hyde for facilitating a donation of a piano to the city.

Ruby Hyde, Darlene Drive, I want to thank you for accepting the piano. My neighbor poured his driveway across my property line. Land use, and property, is something everyone should be aware of. I see cars and trailer parked in yards and they need to know that you do not tear up the landscape. I want everyone to know that at Hotel Louisville, Friday, January 7th, 5 pm., 120 West Broadway, I will present a film on Mohammad Ali. The newsletter is your message to the community, put it in large print, keep it current and have phone numbers that people need.

Leticia Marshall, 4034 Addison Lane, ARPA funds could impact the food system in Shively. Shively became a food desert when the Kroger on 7th Street Closed. Accessible foods system became more difficult for people that rely on public transportation to get food into their homes. The Shively Farmer's and Artisans Market was a good start, by bringing fresh locally grown produce and eggs to feed our city. I am requesting \$250,000 in funds to grow the Shively Farmer's and Artisans Market, expanding the community garden, installing a community orchard, and collaborating to bring a food co-op to Shively.

John Yaden, 220 Post, 3422 Janell, we requested ARPA funds for improvements and I would like to know if a decision has been made.

Olivia Saul and Avery Saul, 7612 Crestline Road, owners of Priscilla's Plus Boutique, Dixie Hwy., I would like to request ARPA Funds for our business.

Shanna Hinkle, Rose Wedge Way, I am a home daycare provider off Cane Run Road and Ralph Ave., I need to know how to report a pedophile in my neighborhood so close to my business. Also, there are two pit bulls that roam free, and I need help with that.

Gigi Talbott, 4009 Moray Court, I feel like you are wanting me to accept trash in my neighborhood by accepting the tow lot in our city. I am here to beautify my city, not lay down and temporarily allow this to be in my city.

Mayor Chester-Burton, I spoke with Mayor Greg Fischer about the last-minute notice our city received on the tow lot, 3502 7th Street Road. I asked him to come before us, next time, if there is a property under their ownership that they want to develop. Finn Cato and I are drafting a letter to submit to the planning commission from our city. I would like to have a discussion to make sure we are unified in our opposition to the tow lot.

Motion by Tiffany Burton-McBroom to oppose the proposed tow lot to be located at 3502 7th Street Road. Second by Chester Burrell.

ROLL CALL:

Sharon Baker – absent Chester Burrell – yes Tiffany Burton-McBroom - yes
Maria Johnson – yes Shanell Thompson – yes Wendell Vincent – yes

Everyone is invited to join in the Planning Commission Development Review Committee meeting on Wednesday, January 19th at 1:00 pm. If you have been contacted by anyone in opposition, bring the details with you to the meeting. Meeting information, and how to participate, will be available by calling city hall, the message board in front of city hall and on our city web page.

ADJOURN:

There being no further business to come before the council, motion by Maria Johnson, second by Chester Burrell to adjourn the meeting.

All in favor signify by saying aye. Those opposed, no. Ayes have it, so ordered. Motion carried. Meeting adjourned at 7:47 p.m.
