## Mayor's Message

On Memorial Day at Louisville Memorial Gardens, we reflected on the lives that were lost in the war. The Traveling Kentucky Vietnam Wall was displayed as the crowd of visitors toured the site and remembered the special times with their loved ones. Inside the chapel a beautiful ceremony was held to give honor to people who died while serving in the military.

This memorial visit gave me an opportunity to share with others and pray for healing in our community from gun violence and hatred. It is my hope and prayer that we stand united with our neighbors. Regardless, of your race, gender, religion, or political affiliations, together we can make a difference for a brighter future by treating each other with respect. The act of kindness is something we must remain conscious of and practice daily. Therefore, I am requesting that you respectfully "LOVE THY NEIGHBOR."

It is time for me to step away from a career that I genuinely enjoyed for twenty years. The decision to retire was not something that I took lightly, being a police officer was always a dream of mine and the City of Shively let me watch my dream come true. I have had the fortunate opportunity to hold positions from officer, sergeant, major, and police chief. This city and all its people will always hold a close place in my heart, not only because of the wonderful residents that are here, but also all the employees I have had the chance to work with and meet.

I would like to take this time to personally thank all the residents, businesses, schools, council members and mayor for entrusting me to lead an agency of professional men and women to try and keep each one of you safe. The police department will continue to serve and protect everyone and strive to maintain professionalism and trust with everyone. Thank You all for such a wonderful career and Thank You all for allowing me to serve you in such a great city.

Sincerely,  
Kevin Higdon  
Chief of Police

## CODE ENFORCEMENT TOP 10 + 1 CODE VIOLATIONS

TO REPORT VIOLATIONS OR TO REQUEST MORE INFORMATION CALL CITY HALL AT 449-5000, [code@shivelyky.gov](mailto:code@shivelyky.gov) OR VISIT OUR WEBSITE AT [WWW.SHIVELYKY.GOV](http://WWW.SHIVELYKY.GOV).

Here are the most common reasons warning letters are issued to property owners.

**LEAVES.** All property owners are responsible for raking leaves on your property, even if you do not have a tree in your yard. Leaves commonly block storm drains, gutters, and the pipes under driveways causing water problems all over the city. Ditch lines are to be kept free of accumulation of leaves/branches/trash.

**TRASH.** All trash and garbage left outside one's residence awaiting pickup must be stored in containers with lids at all times.

**UNREGISTERED/INOPERABLE MOTOR VEHICLES.** Unless stored in a fully enclosed structure, all motor vehicles are to be always properly registered and operable. Placing a tarp or cover over the vehicle does not cure the violation.

**DEBRIS.** Junk, debris, furniture, tree branches/stumps, and other items are prohibited from being stored on the exterior of all residential properties. This includes under carports.

**HIGH WEEDS & GRASS.** Grass and weeds are always to be maintained at a height of 8 inches or less.

**PARKING ON GRASS.** Vehicles may not be parked on the grass or dirt of properties. All vehicles, trailers, boats, etc. are to be parked or stored on a hardened surface. Depending on the size, some are required to be parked behind the façade of the residential property, never on grass.

**VACANT, UNSECURED HOMES.** Any vacant home or business must be maintained as if it were being occupied (e.g. grass cut, shrubs trimmed, exterior of structure in good repair, and any doors and windows secured to prevent unauthorized entry into the dwelling).

**PERMITS ARE REQUIRED FOR HOME CONSTRUCTION.** Building permits are required for most types of construction and many types of home improvement projects (e.g. plumbing, heating, decks, some sheds, garages, additions, adding an additional driveway etc.). Contact Planning & Design, (502) 574-6230, 444 S. 5th Street, 8am – 5pm.

**USE OF GRAVEL.** From and after July 1, 2009, parking pads, driveway construction or driveway extensions shall be constructed of either concrete or asphalt. Gravel is prohibited.

**YARD REPAIR.** Any property that has damaged by parking in yard/ditch line or driving through the yard/ditch line will be the owner's responsibility to repair the damaged area of the yard.
