This year's top priority is the safety and security of our youth and businesses. I will focus on safe neighborhoods, youth, and senior citizens programs. I will be attracting new businesses, funding public infrastructure, and improving the efficiency of operations in the city. But most importantly, I will be cultivating better lines of communication between residents and city officials. I want to hear your concerns, get your input, and keep you informed on the happenings of our great city. To maintain transparency and uphold a

high standard of integrity, I will be hosting community forums for our residents. The first forum is scheduled for April 27, 2023, at The Heritage (formerly Shively Community Building), 1901 Park Road, at 6:00 pm.

Congratulations to all the winners of the 2022 Shively General Election! Two new council members were elected in November: Monica Bizzle and Kelly Gibson. Four incumbents, Sharon Baker, Tiffany Burton-McBroom, Shanell Thompson, and Wendell Vincent were re-elected. It is with a heavy heart that I report the passing of our beloved Councilwoman, Ms. Baker, who passed away on November 16, 2022. Gigi Talbott was appointed to fill her seat for the remainder of 2022. On January 3, 2023, city council members voted for Ms. Talbott to serve on the council until the next election cycle.
