Vol. 31 No. 2

www.ShivelyKy.gov

May 2023

## *Kudos To the Works Department!*

*Note: this was received from Ali Day, Shively Resident*

My name is Ali Day, and I live at 2900 Pioneer Road. On Friday, March 31st I had three cans of yard waste and one stack of sticks that needed to be bundled up (it was in a pile). Whoever picked up the yard waste on Pioneer Road that day went above and beyond and picked up the sticks! So, if you could, whoever was picking up yard waste that day, give them a pat on the back, a raise and some extra vacation days, too. That would be awesome! Thank you and tell them thank you from me as well. I appreciated them picking up the pile of sticks. Good job, Works Departments!

*Shively Resident Ali Day*

## Greetings from Mayor Maria Johnson,

With warmer temperatures and longer days, spring is a perfect time to get outdoors and embrace an active lifestyle. Shed those winter layers and head out for a bike ride or a run. It's an excellent opportunity to exercise, breathe in the fresh air, and enjoy the beauty of nature as it awakens from its winter slumber.

The Mayor and the Shively City Council would like to thank everyone who attended our **Annual Pancake Breakfast** on April 22, 2023. We would also like to thank those who helped prepare and serve breakfast. It is always a great time when the mayor, the council, and the department heads can meet and greet the residents of our community.

We had our **Annual Easter Egg Hunt** on April 1, 2023, which was a huge success. We gave away two bikes and hid over 3000 eggs. The kids found all of them in four minutes!

Join us for **Chair Yoga** every Thursday at City Hall from 1:00 pm to 2:00 pm and Zumba every Saturday from 8:00 am to 9:00 am. Everyone is welcome. The cost is \$1.00 per class.

The City of Shively would like to thank (VITA), **Volunteer Income Tax Assistance**, for the free tax service they provided. We appreciate their volunteerism and time serving the Shively community.

I would like to personally thank all the residents who attended the **Mayor's Forum** on April 27th. I look forward to our continued engagement as we work together to ensure that our city will become a better community for our residents.

The City of Shively would like to thank **Brown-Forman**, who donated \$50,000 to our **Shively Good Neighbor Initiative**. The allotment was divided equally between my administration and the former mayor's administration of \$25,000 each. With my \$25,000 allotment, I plan to purchase 30-second Outdoor Cleaner, kraft paper yard waste bags, and repair small sections of badly damaged sidewalks throughout the city. **This Good Neighbor initiative is for Shively residents only and you must show your ID when you pick up the items.**

Please join us for **Food Truck Fridays** at Shively Park, 1901 Park Road, from 5:00 pm to 9:00 pm. Come out, purchase some good food, and listen to The Ultimate Show Band featuring Don Wright and Robin Shaw on Friday, June 9, 2023. The Honeychild band will perform on Friday, July 14th.

### **HOMESTEAD EXEMPTION**

The Homestead Exemption for 2023-2024 is \$46,350. Kentucky's Constitution allows property owners 65 or older to receive the Homestead Exemption on their primary residence. If you are eligible to receive the Homestead Exemption, the exemption amount is subtracted from your property's assessed value, reducing your property tax liability. If you are 65 or older and meet the Homestead Exemption qualification, contact PVA at 502-574-6380.

Driving over the speed limit is a common complaint of residents. To help reduce excessive speeding, we purchased eight radar speed signs that will be placed throughout the city to bring awareness to excessive speeding.

I look forward to your continued feedback and seeing you at the upcoming events!

In solidarity,

*Maria D. Johnson*

Mayor Maria D. Johnson

**COUNCIL 6:45PM**

**MEETINGS**

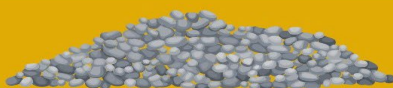

1ST & 3RD  
MONDAYS  
MONTHLY

**DID YOU KNOW?**

Elected city leaders for Shively meet twice a month. Yes, it's true! This is the chance for any citizen to voice concerns about things happening in Shively and bring up issues you think Council should prioritize. These weekly meetings are the best way to make your voice heard, just come to a meeting and sign in to speak.

Code Enforcement enforces city ordinances that provide a safe community and vibrant neighborhoods. Code Enforcement is responsible for increasing public understanding of the city's policies and procedures. Code Enforcement Officers promote a healthy and safe environment for citizens and visitors by handling a variety of requests: junk/unlicensed vehicles, tall grass 8" or higher, parking on sidewalks/grass, accumulation of trash.

ADDING ON TO YOUR DRIVEWAY OR PARKING AREA? BEFORE YOU MAKE A COSTLY MISTAKE GRAVEL IS NOT PERMITTED. CALL 502 449-5010 FOR INFO.

Remember in the city you must have a yard sale permit for each day of your sale. They are \$10.00 at city hall.

**City Hall, M - F, 8am - 4:30pm**

# Shively Fire Department 2023

## 70th Anniversary of the Crusade for Children- Shively Fire Department

This year marks the 70th Anniversary of the Crusade for Children and this year the Crusade will be held June 2nd to 4th, 2023. For 70 years, fire departments have raised millions of dollars for the WHAS Crusade for Children, which distributes funds to schools, hospitals and organizations that provide critical services to children with special needs across Kentucky and Indiana. The Shively Fire Department and Shively Businesses have always supported this worthy cause for our special children of the Kentuckian Region.

Each year, at this time we look to our businesses in the City of Shively for their help in making a child's future brighter. Fire departments typically raise 50% of the annual Crusade tote board. We want to make sure the children and families impacted by Crusade dollars do not suffer a loss of services and facilities needing special equipment, grants for research, and facilities to better serve the children.

If you are able, we ask that you please join our campaign and help us reach our goal of \$15,000 for the WHAS Crusade for Children. We need you to tell your friends and family members about the important impact the Crusade makes for our youngest neighbors.

One way to support is by making your checks payable to the **WHAS Crusade for Children**, but your contribution into the Shively Fire Department, or call us at 502-449-5025 and we will send a representative of the fire department to pick up the check. Giving to the Crusade and crediting the **Shively Fire Department** has never been easier! You can continue the traditional method of giving by mailing a check to the **WHAS Crusade for Children**, located at 520 W. Chestnut St., Louisville, KY 40202. Or, you can give virtually in a variety of easy ways:

- Donate online at [www.whascrusade.org](http://www.whascrusade.org). Be sure to list the **Shively Fire Department** to receive credit!
- Text CRUSADE to 50155 to give securely via your cell phone. You will have the option to credit our fire dept.
- Venmo a donation @CrusadeForChildren and list our fire dept. in the comment section.
- CashApp a donation \$CrusadeChildren and list our fire dept. in the note section.

Our collection efforts will also include a Crusade drive through which will be held in front of our Firehouse (1800 Park Rd) for citizens to drop off their donation.

The dates and hours of the drive through are:

**Friday, June 2nd from 10:00 am to 1:00 pm and 3:00 pm to 7:00 pm**

**Saturday, June 3rd from 10:00 am to 7:00 pm**

**Sunday, June 4th from 10:00 am to 2:00 pm**

Our point of contact for the event is Mr. Mike Allendorf (502-449-5045). Everyone is welcomed to participate!!

Col. Mucker

**THANK  
YOU**

to

**BROWN-FORMAN**  
**FOUNDATION**

The Mayor and the City of Shively would like to thank Brown-Forman Foundation for the Shively Good Neighbor Initiative. While supplies last, Shively residents can go to City Hall, 3920 Dixie Hwy, and pickup two 64oz containers of 30 Second Outdoor Cleaner along with Kraft paper yard waste bags. This Good Neighbor Initiative is for **Shively residents only** and an ID must be shown upon pickup. We are grateful for the support of the Brown-Forman Foundation and their commitment to being a better neighbor.

Questions should be directed to Mayor Maria Johnson at 502.977.1638.

# POLICE DEPARTMENT

As we approach the summer months our goal is to continue to provide a safe and enjoyable city for the citizens that we serve. We strive to address the concerns of our citizens and work to come up with resolutions to those concerns.

Traffic violations such as speeding are common concerns that we often are made aware of. I am happy to announce that the city has acquired speed monitoring signs that will be installed in our most problematic areas where speeding occurs. This is to assist an ongoing effort to make the roadways safer in our city. These signs will alert drivers if they are speeding and will be located on Farnsley Road, Janelle Road, Mary Catherine Drive, Garrs Lane, Savage Drive, Burrell Drive, Wathen Lane and Heaton Road. Our officers will still be enforcing traffic throughout the city as usual, but we hope that these new speed monitors will assist in the effort to minimize speeding in the city.

Another ongoing effort has been the implementation and installation of our Flock camera systems. These are license plate reading cameras that are installed throughout our city at several various locations that continuously scan license plates and alert law enforcement of stolen vehicles or vehicles that have been involved in criminal activity. This system assisted in the apprehension and prosecution of two homicides that occurred in this city. The last camera was just installed on April 18th making that the 15th camera located in the city. So far, just the City of Shively's camera system alone has scanned over 2.2 million vehicle license plates. With the help of the Flock camera system our officers have not only been able to recover stolen vehicles but also stolen firearms, and stolen license plates.

Since I became chief in July of last year, I have strived to make Shively a safer city and we as a department are committed to doing just that. The Flock cameras and speed signs are just one of the ways that we are able to do that. Our goal is to always work to improve the safety of our citizens.

If you have any questions, don't hesitate to contact me.
