Greetings from Mayor Maria Johnson

Fall is the time to celebrate the bountiful harvest, a reminder of the abundance and blessings in our lives. From corn mazes to pumpkin patches, we engage in simple pleasures that connect us to the land and remind us of the importance of gratitude. Let's embrace the fall season with open hearts and minds, marvel at the beauty of nature, and find joy in the little things. As we welcome the fall, may we also welcome the changes and opportunities it brings into our lives.

DISABILITY EXEMPTION

The Disability Exemption for 2023-2024 is \$46,350.00. Kentucky's Constitution allows property owners who are 100% disabled to receive this exemption. If you are approved to receive the Disability Exemption, the exemption amount is subtracted from your property's assessed value, reducing your property tax liability. The exemption amount may be adjusted every two years to reflect a change in the cost-of-living index used by the United States Department of Labor. If you meet the Disability Exemption qualification, contact PVA at 502-574-6380.

PROPERTY TAX PAYMENTS

This is a friendly reminder that the deadline for property tax payments is September 30, 2023. Please ensure your taxes are paid on or before this date to avoid any penalties or late fees.

The City's Code Enforcement is tasked with protecting the public health, safety, and welfare of residents and property owners by identifying, inspecting, and correcting violations. The Code Enforcement is responsible for the enforcement of the City's Code of Ordinances.

Code Inspectors routinely check the City's thoroughfares and business areas, as well as responding to complaints from citizens and other city departments.

If not corrected, a Notice of Fine will be issued and further action will be turned over to the Code Enforcement Board for a hearing. 2023 City of Shively Property taxes due 9/30/23

(502) 449-5000

1. Why did I receive a real estate tax bill?

Tax bills are mailed to the last property owner of record. Occasionally recent property sales will not be reflected in the tax roll. Please contact city hall if you believe the tax bill you received is meant for someone else.

2. How is real estate property tax determined?

- Property tax assessment and tax rate are the two factors that determine your tax bill.
- Kentucky State law (KRS 160.460) requires all real property be assessed "at one hundred percent (100%) of fair cash value, the Kentucky Constitution (Section 172) defines assessed value as "the price [property] would bring at fair voluntary sale." The Jefferson County Property Valuation Administrator's office (PVA) makes its determination of assessed value by evaluating recent sale prices of similar property, improvements made to property, its location and sales demand.
- The City of Shively's 2023 property tax rate is \$0.354 per \$100 of assessed value (ie, \$100,000 assessed value = \$354.00 tax bill)

3. What if my property is not worth the PVA's assessed value?

Property owners that believe their property's assessed value is incorrect can appeal their tax assessment with the Jefferson County Property Valuation Administrator (PVA) during the annual Open Inspection Period (OIP). Contact the PVA for more information on the appeals process. You can reach their office at (502) 574-6380 or email pva@jeffersonpva.ky.gov.

4. Are there any tax exemptions available for property owners?

- Yes. Two exemptions are available for qualifying property owner(s).
- The Homestead Exemption is available to property owners that are 65 years old, or older.
- The Disability Exemption is available to property owners that have been classified as totally disabled by any public or private retirement system.
- Application for exemptions is available at the Jefferson County Property Valuation Administrator office. Contact the PVA for more information on the appeals process. You can reach their office at (502) 574-6380 or email pva@jeffersonpva.ky.gov.

5. I pay my taxes to my mortgage company's escrow account; will my mortgage company pay this tax?

Contact your mortgage company to determine whether this tax is to be paid from your mortgage escrow account.

6. When are real estate property taxes due?

September 30th annually. Tax bills are considered delinquent as of October 1st at which time a one time 10% penalty is assessed and interest begins to accrue at a rate of 6% per annum on the unpaid balance.

7. How do I pay a Shively property tax bill?

- By mail - checks or money orders can be mailed to Shively Tax Collector, 3920 Dixie Hwy., 40216. Please make sure it is postmarked by September 30th to avoid a late fee.
- In Person - checks, money orders, or cash at city hall, 3920 Dixie Hwy., M - F, 8am - 4:30pm
- By Phone - credit/debit cards are accepted by phone (502) 449-5000

8. What happens if I cannot pay my real estate property tax?

Real estate property taxes that remain unpaid as of April 15th following the tax year will be assessed a lien + filing & release recording fees and have a city tax lien filed against the property with the Jefferson County Clerk's Office. Tax liens will be released when tax, penalty, interest, lien & recording fee has been paid in full.

9. My tax bill was mailed to the wrong address, how can I correct the mailing address?

The Jefferson County Property Valuation Administrator (PVA) maintains Tax bill mailing address for Shively and Jefferson County Sheriff. Contact the PVA to change your tax bill mailing address (502) 574-6380.
