THE CITY CLERK OF THE CITY OF SHIVELY IS ADVERTISING FOR BIDS FOR THE PURCHASE OF A FIRE APPARATUS – CUSTOM PUMPER, FOR THE USE OF THE SHIVELY FIRE DEPARTMENT. BID OPENING:

Seagrave, Fire & Specialty Equipment Company. 235 Rogers Drive, Shepherdsville, KY 40165.

THE CITY RESERVES THE RIGHT AND POWER TO AWARD A CONTRACT FOR PURCHASE TO THE LOWEST AND BEST BIDDER OR REJECT ANY AND ALL BIDS.

This the required, City Address, due at the beginning of each year.

It is with great pleasure to report that the 2020 revenue for the City of Shively was \$11,270,614. The city will continue to work towards attracting businesses and homeowners to relocate within our city boundaries. As you drive the Crums Lane corridor, you will notice the development of the "Wade-Braden Peace Park." The city purchased the property in 2019 however, due to the COVID-19 pandemic progress was delayed. Thank you to our public works department, who will be resuming their work towards creating new signage and a park like setting. This will cosmetically enhance the entrance into our city on Crums Lane.

Every year gives us new opportunities. For me, it is a time of reflection. As your Mayor, I am committed to the City of Shively and I ask the legislative body to be collaborative as we move forward with our upcoming budget, projects and programs. If we work together and think outside the norm, I believe that Shively's future can be brighter and flourish with opportunities and growth. It is my hope that we will embrace new opportunities to prosper, thrive and become stronger as a city on the move. Therefore, I am asking all stakeholders to join me in making the City of Shively, one of the best places to live, work, play and raise a family.

As an elected official, I believe we have the best job in the world. This position allows us to transform and improve our community. When you elected me as your Mayor in 2018, I was both honored and humbled. Having served in many roles in my education career, public service has always been near and dear to my heart. So, please believe that I chose this profession to make a difference in the community in which we all live in. With that being said, my question is, "Are we living or existing?"

As Mayor, I dream of a community that thrives with businesses, education and performing art centers, sidewalks on all streets, festivals, recreation facilities, new library, youth and senior centers and a historical museum to capture the city's past, present and future. Therefore, I plan to recommend new projects and programs that will enhance the livability of our city. As you know, COVID-19 disrupted our lives in 2020 and as we attempt to return to our normal activities, the time is upon us as city leaders to make smart budget decisions.

I would like to applaud our front line workers and all city staff for their dedication through the pandemic. You remained professional at all times while maintaining the city services that our residents are accustomed to.

Our firefighters and police officers are among the best trained and most prepared emergency service personnel in the State of Kentucky and I must say "thank you" to our courageous men and women who stand ready to respond on a moment's notice to serve and protect our citizens every day. I appreciate, their commitment to excellence, their hard work and their willingness to face dangers many of us will never know or even experience. To the veterans, I will always appreciate your valor and the sacrifices you made so that we are able to be present today. Also, I thank you for making our country secure, safe and our community strong.

To the residents of Shively, thank you for remaining a great resource to our police department, as you keep a watchful eye on your neighbors. Whether it is the police, firefighters, teachers, volunteers, city employees or business owners, everyone makes a contribution to the welfare of our city. So, as we work together creatively and collaboratively, we will continue to have major successes.

As we strive to remain a city of peace and unity, remember that this is your home, your community and your city. In the words of Gandhi, "Be the change that you wish to see in the world." I wish peace and blessings to each of you.

Respectfully submitted,  
*Beverly Chester-Burton, Ed. S.*  
 Beverly Chester-Burton, Mayor

**2021 – 2022 Budget and Tax Rate Discussion**

Wendell Vincent, the city carried over approximately \$3.8 million to balance the budget, raising the tax rates has been talked about before but no action has been taken. Rising pension contribution rates, the cost of running city services and lower revenues is making it impossible to balance a budget without the carryover money.

Insurance License Fees, current rate is 10%, the tax is assessed on premiums collected by insurance companies on policies written during the preceding calendar year.

Motion by Wendell Vincent to increase the Insurance License Premium tax 2.5%, second by Tiffany Burton-McBroom.

ROLL CALL:

Sharon Baker – no	Chester Burrell - no	Tiffany Burton-McBroom - yes
Maria Johnson – no	Shanell Thompson – yes	Wendell Vincent – yes
Mayor Beverly Chester-Burton – yes		

Wendell Vincent, the city has never collected on the Health Premium, the definition explains the premiums that are excluded: accident and health insurance, federal insured crop and flood, reinsurance, title insurance, worker' compensation insurance. The Department of Insurance in Frankfort is unable to estimate the revenue that could be brought in because our city has never had a rate.

Motion by Tiffany Burton-McBroom to collect 1%, second by Wendell Vincent.

ROLL CALL:

Sharon Baker – yes	Chester Burrell - yes	Tiffany Burton-McBroom - yes
Maria Johnson – no	Shanell Thompson – yes	Wendell Vincent – yes

Wendell Vincent, the city has had the same property tax rate, .339% per hundred dollars assessed, since 2007, increasing taxes is not popular but proposing minimal tax increases, across each rate the city collects, will share the burden of the rising cost of providing premium services to our residents. There are cities that take the compensating rate annually. By law if the rate is increased above 4% a public hearing must be held. I am not proposing that.

Motion by Wendell Vincent to increase current property rate not more than 1.4 cents per one hundred dollars assessed, second by Tiffany Burton-McBroom.

ROLL CALL:

Sharon Baker – yes	Chester Burrell - yes	Tiffany Burton-McBroom - yes
Maria Johnson – no	Shanell Thompson – yes	Wendell Vincent – yes

Wendell Vincent, the current occupational tax rate was set in 2005, it is 1.5%. Occupational taxes are collected as a percentage of payroll a person pays for working within Shively. This is not paid by the employer it comes from the employee's earnings.

Motion by Wendell Vincent to increase the current rate from 1.5% to 2%, second by Shanell Thompson.

ROLL CALL:

Sharon Baker – yes	Chester Burrell - yes	Tiffany Burton-McBroom - yes
Maria Johnson – yes	Shanell Thompson – yes	Wendell Vincent – yes

Wendell Vincent, the current net profit tax rate is 1.4% on taxable net profits or \$100.00, minimum, annually which ever is larger. I do not want to run one business out of Shively, businesses are having a hard year, everyone is. Therefore, I am suggesting an increase, to share the burden the of rising costs to the city to provide police and fire departments.

Motion by Wendell Vincent to increase the net profit from 1.5% to 2.25%, second by Tiffany Burton-McBroom.

**Public Comment:**

Dennis Coggleshall, Garey Lane, I request the police to check my home when I leave for vacation, I want to thank them. I was never sure it happened but now I know it does because I saw it on my camera. Large trucks continue to come into the cul-de-sac on Garey Lane. The Mosby wreckers continue to pull cars back into the area with large tow trucks. I would like to know why Sharon Baker is not being used to write grants because she said she was qualified, instead of hiring a grant writer using taxpayers dollars.

Todd Seibert, Mercer Avenue, 32-year resident, on Savage Drive there is a black truck blocking the sidewalk. There is also a problem with a pit bull not on a leash, I spoke to the owner. I spoke to the police, but they will not do dog runs. Do I have the right to shoot a dog on my property?

Beverly Chester-Burton, I would like to discuss the requests the council members submitted for the upcoming budget.

Maria Johnson, I want to correct my council report. The report I gave, was about Southwest Dream Team, how they requested for the council to approve a request for money from the Federal Cares Act on June 7<sup>th</sup> and 21<sup>st</sup>, there was no money available in the fund. How was that brought before the council when there was no money to fund the program? On August 2<sup>nd</sup> you said the money requested was out of the general fund. I wanted to bring it to the council, the email request we received was from the Covid 19 fund, and they did fill it out on the Federal Cares Act request.

**Public Comments:**

Henriette Jenkins, 3508 Fern Lea Rd., Louisville Metro Public Health & Wellness, Testing Coordinator, I am wanting to get a permanent testing site here in Shively. Testing is key in beating Covid, and we need to offer a permanent location hopefully beginning in the next week.

Mayor Beverly Chester-Burton, city hall has been receiving calls regarding the honorary street signs. Here is the explanation the residents will hear when inquiring. Andrew and Charlotte Wade were housing pioneers. The Wade honorary street signs recognize a historical movement of civil rights struggles regarding open housing in Shively that occurred in 1954. The Wades were the first African American family to move into Shively with the assistance of a white couple Anne and Carl Braden. Later, due to racial tension in the Shively community, their home was bombed, and they were forced to move out of Shively. Since Shively strives to remain a community of "peace and unity," we hope that neighbors will respect each other, so that negative acts against racial and social justice will never happen again in our diverse city.
