**PUBLIC COMMENTS:**

Dennis Coggeshall, Garey Lane, I oppose golf course money appropriated in the budget, I provided proof of three examples by Representative Chester-Burton trying to communicate with the Mayor to get money from Frankfort for the golf course. Special events in the city are over budgeted, we cannot support Shively organizations, schools or youth male events. Line dancing and yoga are provided during the day for senior citizens but none after 5pm. I am asking the council not pass the budget. S.E.O.Y. has been denied from the newsletter because of poor grammar but the letter from the teacher was put in with poor grammar.
