Officer Stephanie Huffman, we are overjoyed to officially welcome the newest member of the Shively Police Department. Everyone, meet Barney, a 2 year old wire haired vizsla who radiates love, hope, and resilience. Weighing 57 pounds, he is a precious gift to our department. As a therapy dog, he will provide comfort, support, and joy to our officers and dispatchers, while also participating in community outreach events and helping victims and children in need. Barney's story is a remarkable one, having been rescued from poor conditions by Rich and Lee Ann Hardin of Double H Canine who showed him kindness, care, and compassion. Dogs Helping Heroes brought Barney to our attention, and we are deeply grateful to Rich and Lee Ann for their generosity in donating him to our department. With his calm and loving nature, Barney has captured our hearts, and we thank everyone who has made this possible.
