RESOLUTION NO. 1, SERIES 2025 - A RESOLUTION IN SUPPORT OF ADOPTION OF THE PLAN FOR SHIVELY

Introduced by Mr. Vincent. Motion by Ms. Burton-McBroom. Second by Ms. Wakaba.

Ms. Thompson, are there any contracts regarding this plan that we are not aware of doing anything a park, a golf course? What is the contract on the golf course? What about the library?

Mayor Johnson, there are no contracts in the Plan for Shively. The golf course is a 5 year lease.

John Hawkins, Senior Planner for Metro Louisville, The Plan for Shively is meant to guide future land use from the input received from public input. I sent an email regarding the updated language that mentions the golf course, it was revised because it is now leased. During the planning process the residents thought it was underutilized. On page 83, it mentions Shively Newman Library expansion, the need for more technology, book space and existing public programming, later in the plan it is also mentioned again addressing library expansion. Keep in mind these goals and objectives were formulated with the ideas of what the residents want to see in the future of the city.

Mr. Vincent, this is a broad suggestion of what could be and does not put the city under any obligation or lose any of the city's control over anything. It has a nice history of the city.
